VOLUME 53—NUMBER 5.

NEWARK, OHIO, TUESDAY EVENING, JUNE 13, 1905.

TEN CENTS A WEEK.

BELLIGERENTS ARE SINCERE.

Success of Negotiations for Peace In Far East Seems Certain.

Communications Are Now Flashing Between St. Petersburg and Tokyo via Washington, and Time and Place of the Meeting To Arrange Terms Will Soon Be Known—Czar Replies To President Roosevelt—Russia's Special Views Not Yet Known.

Washington, June 13.—Active exchanges of communications between the Russian and Japanese governments through the medium of President Roosevelt are now going on as to the place and time of meeting of the peace commission. It is understood that each belligerent has named two or three places, either one of which would be satisfactory. As every suggestion must be cabled to St. Petersburg and Tokyo, it may be a day or two before the location is definitely announced. Another matter being considered is the preliminary terms of the armistice. It is likely a fixed date will be determined upon and after which neither Oyama or Linevitch shall be allowed to increase his force. Lines of demarkation will probably be set for the fronts of the two armies in the field with a neutral zone between them.

Washington, June 13.—Count Cassini, the Russian ambassador, called at the White House by appointment and in the name of Emperor Nicholas formally accepted the president's "offer of good will." The following official statement regarding the conference was issued at the White House: "Ambassador Cassini has called to express the Russian government's assent to the president's proposition, and to state that they would appoint plenipotentiaries to meet the plenipotentiaries of Japan to discuss the question of peace. The place of meeting is at present being discussed."

President Roosevelt now holds unequivocal assurances from both Russia and Japan of the acceptance of his proposition that they enter on negotiations for peace. The president likewise is assured of the absolute sincerity of both governments in according to his suggestion concerning negotiations. Japan, was first of the two powers to indicate its acceptance of President Roosevelt's proposition. The formal response to his identical note of Thursday last was received from the Japanese government Saturday. Informal assurances of acceptance of the president's suggestion were received from the Russian government a little later, but the assurances from St. Petersburg were not of the same definite character as had been received from Tokyo. Ambassador Meyer at St. Petersburg now has informed this government that Russia has accepted the president's proposition and would name plenipotentiaries with plenary powers to meet plenipotentiaries of Japan. While satisfactory, the response of Russia was not in the same definite form as that of Japan. It had been the expectation of the president to publish to the world the replies of the two governments to his identical notes, but under the circumstances this could not be done.

RUSSIA IS WILLING.
Washington, June 13.—The President has received Ambassador Meyer's cable conveying the formal acceptance of Russia of the President's peace proposition and confirming the oral communication made by Ambassador Cassini yesterday.

RUSSIA'S SPECIAL VIEWS ARE NOT YET KNOWN.
St. Petersburg, June 13.—In well informed circles the opinion is expressed that rumors spread abroad giving the most hopeful outlook for peace, on the strength of the present negotiations, are exaggerated. Russia's official views, it is pointed out, are not yet known, and nothing has been established except her willingness to meet the Japanese plenipotentiaries.

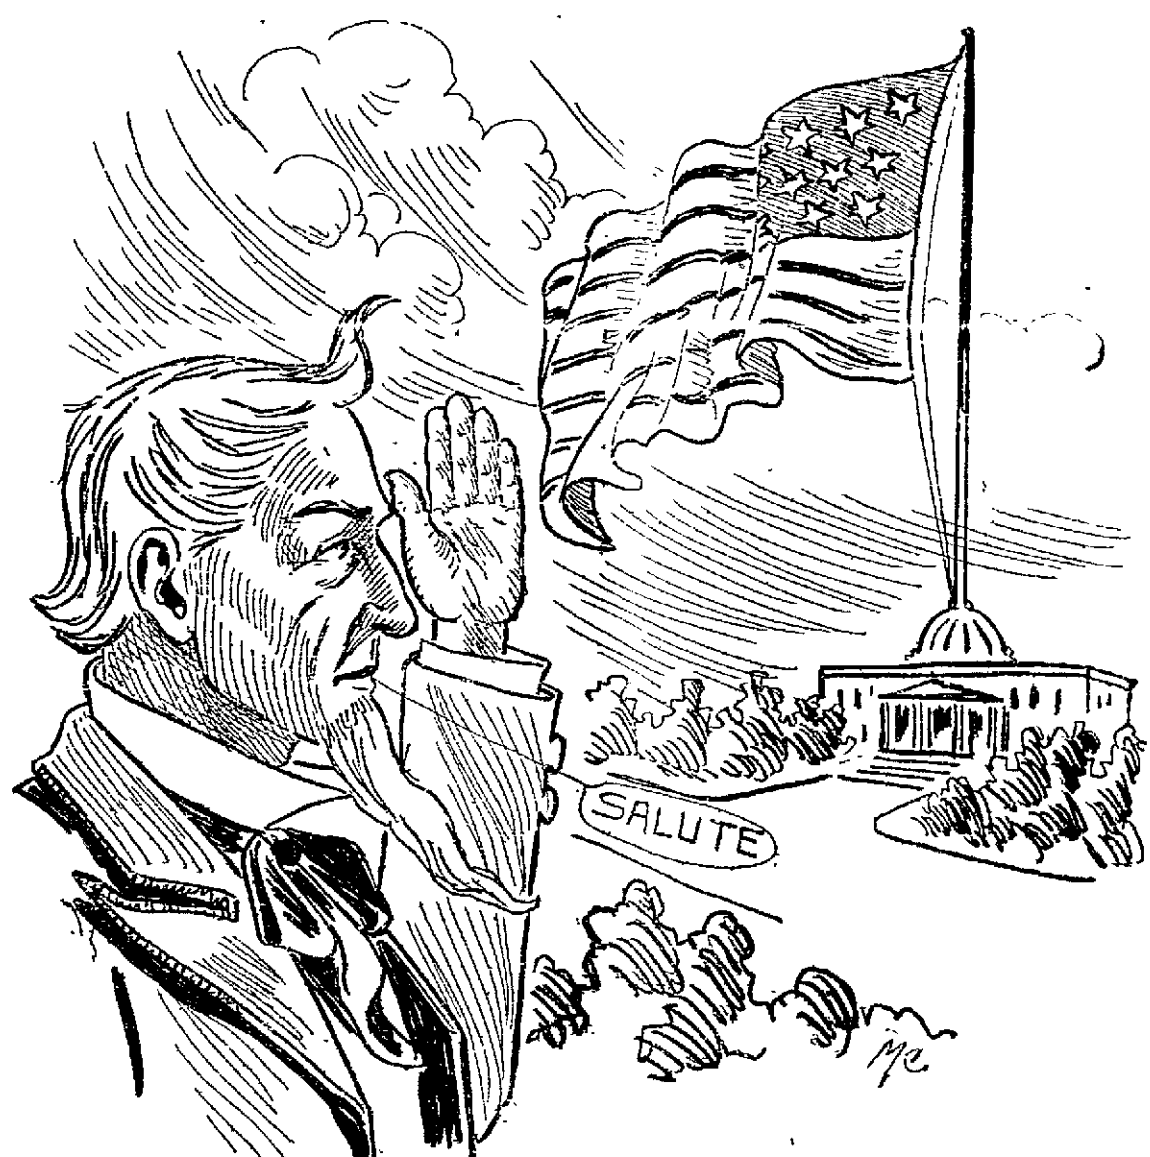

PARIS, JUNE 13.—The Russian securities had an unprecedented rise of two points on the Bourse today on the strength of the peace negotiations. Nevertheless the uneasiness is felt in official circles where doubt is expressed as to the success of the peace efforts.

UNCLE SAM THINKING OF BUYING AN ISLAND?
St. Petersburg, June 13.—It is reported that the government is considering the question of selling the island of Saghalien to some foreign power. The money secured as the purchase price would be applied on the indemnity which Japan will in all probability demand. It is stated in certain quarters, that the United States is regarded as a probable purchaser.

EUROPEAN SKEPTICISM IS NOW WEAKENING.
London, June 13.—Europe is without information regarding the progress of peace negotiations. Continued optimism of the American government in the ultimate success of the negotiations has weakened the skepticism which has prevailed in Europe. The feeling is now growing that President Roosevelt will be able to bring the negotiations to a successful conclusion.

TROTTER QUEEN LOU DILLON IS IN CLEVELAND.
Cleveland, O., June 13.—Lou Dillon (1:58 1-2) queen of the trotting turf, arrived at Glenville this morning from San Jose, Cal., in charge of Ed. Malloy the young groom who has taken care of her for some time past. The mare spent the winter at San Jose, under the veteran trainer, Bud Doble, who has worked her gradually into racing condition.

RUSSIAN STEAMER LOST.
London, June 13.—It is reported that the British mail steamer Skilda, which sailed from Kutchinow for Hong Kong May 22, was sunk six days later in the Straits of Malacca by a Russian cruiser.

Tomorrow, June 14, Will Be Flag Day.

LEGISLATIVE BODY SCHEME APPROVED BY RUSSIAN CZAR

Experiment in Parliamentarism in Empire Will Begin in September.

St. Petersburg, June 13.—The Russian experiment in parliamentarism will begin in September. The emperor has already given his approval to the scheme now being finally but formally reviewed by the august council of state for a legislative body consisting of a lower house, called the Gosadursvennaia Duma, "Imperial duma," and an upper house, Gosadursvennaia Sovet, or the present council of the empire, with power to formulate legislation, discuss the budget, interpellate ministers, etc., but reserving in the emperor's own hands the final authority. The elections will take place during the coming summer. Although the scheme clings with desperation to the essence of autocracy, it marks the beginning of the end. The die once cast, there can be no retreat, and the quasi-parliamentary regime which will be inaugurated will prove to be only a transitory bridge over which absolutism must cross to constitutionalism. Peace and a constitution appear simultaneously on the Russian horizon. The proclamation of parliament, either in the form of a manifesto or as a ukase, will be promulgated within a few days.

CITY SEAL ILLEGAL?

Baby May Invalidate Chicago's Seal and Render All Franchises Since April 15 Illegal.

Chicago, June 13.—A baby may invalidate the city seal of Chicago and thus render illegal all the franchises and other official documents to which the seal has been attached since the seal was altered by a city ordinance passed April 15. The baby that has caused all the trouble and has driven Comptroller McGinn to seek Corporation Counsel Tolman's advice is the "infant sleeping in a shell" provided by the ordinance of April 15 as the design for the seal. The whole question hinges in the posture of the infant and the construction of the word "sleeping." The authorities have discovered that the "sleeping infant" in the shell is seated upright with legs crossed and dangling over the edge. Experts assert that no babe can sleep in such a position. In addition to the problem of whether the official business of the city has been legally approved by the new seal is the question whether \$2,000,000 worth of bonds to be issued by the comptroller in October will be worthless if they bear the new impression.

BRITISH STEAMER LOST.

London, June 13.—It is reported that the British mail steamer Skilda, which sailed from Kutchinow for Hong Kong May 22, was sunk six days later in the Straits of Malacca by a Russian cruiser.

CONFEDERATES ARE GATHERING

GRANDSON OF JEFF DAVIS ONE OF THE PROMINENT FIGURES PRESENT.

Reunion of Morgan's Men, Forrest's Cavalry, Orphan Brigade and Other Famous Commands.

Louisville, Ky., June 13.—The surviving veterans of the Confederate army will gather at Shawnee Park, on the south bank of the Ohio river Thursday afternoon. While feasting on barbecue and burgoo they will gaze across at the country beyond, recalling the days when they waged four years of bloody strife. The barbecue will be the high water mark of the Confederate reunion, which will begin at noon tomorrow. General Bennett H. Young will call the association to order in Confederate hall.

There will not be as many veterans here tomorrow as came in 1900, when the last reunion was held here. In steady ranks they are crossing the river to rest. The parade on Friday will be doubly notable, because it will be one of the last to be held. The flags which have been returned from the north will be carried at the head of the division.

One of the most interesting visitors is Jefferson Hayes Davis, who arrived today from Colorado. He is the grandson of Jefferson Davis, president of the Confederacy. His name was Jefferson Davis Hayes, but by special act it has become "Jeff Davis."

General Joe Wheeler, General Stephen D. Lee, and General Simon Bolivar Buckner, surviving lieutenant generals of the Confederacy, are in attendance. There will be reunions of Morgan's men, Forrest's cavalry, the Orphan brigade, and other famous commands.

CITY EMPLOYEES ARE DISMISSED

Sixty-Five People at Philadelphia Are Let Out by Order of Mayor Weaver.

Philadelphia, June 13.—The principal developments in the local political situation were the resignation of Samuel Salter as assistant to the chief clerk in the office of the county commissioners and the issuing of an order for the dismissal of 65 employees in the bureau of the city property. Probably the most interesting development was the resignation of Salter, who some years ago, after being a fugitive from justice for about a year, returned to this city and was admitted to the charge of stuffing a ballot box. In his resignation, which came as a surprise to the citizens of the city, Salter stated that he intended to go into business.

To Fight Beef Trust.

Sterling, Ill., June 13.—The Farmers' Packing company has been organized here with a capital of \$1,500,000, the intention being to compete with the Chicago packing industry. The corporation is composed of farmers, stock raisers and retail dealers in meats, and is said to have an option on 10 acres of land and a packing house near the Hawthorne racetrack.

WIDOW LOSES HER CONTEST FOR BIG GIBSON ESTATE

Rochester Woman Married Gibson on Deathbed—Will Couldn't be Found.

Columbus, June 13.—Mrs. Henrietta Cecilia Gibson, of Rochester, N. Y., loses in her contest for the big estate of the late John McCormick of Cincinnati. She married Gibson on his death bed and he made a will giving her all his property. After his death the will could not be found. The widow attempted to have a copy made from the stenographer's notes probated. The supreme court decided against this and in favor of Peter Gibson, a brother.

TRUST FACTORY CLOSED.

Evansville, Ind., June 13.—The American cigar factory, operated by the tobacco trust and employing 500 persons, closed down permanently today after a struggle of three years, being forced out of business by the independent factories.

DIED AT 103 YEARS.

Evansville, Ind., June 13.—Mrs. Elizabeth Simpson, who was 103 years of age last March, died here yesterday. She was a native of Russia and remembered as a child standing by the window of her father's house and seeing Napoleon riding by on his invasion of that country.

THEO. J. SHAFFER

Retiring Head of Amalgamated Association Voluntarily Exonerates Andrew Carnegie.

Pittsburg, June 13.—Theodore J. Shaffer, the retiring head of the Amalgamated Association of Iron, Steel and Tin Workers, voluntarily made the statement that Andrew Carnegie's actions during the great Homestead strike of 1892 were in no way inimical to the members of the union. President Shaffer said, "I have carefully examined the books of the Amalgamated Association, relative to the Homestead strike and find that Andrew Carnegie is not mentioned in any manner as being antagonistic to the members of the organization during the crucial period. In fact Mr. Carnegie's statement was occasioned by the present agitation of the laboring class, to the acceptance of Mr. Carnegie's offer. He should be no more charged. I regret that Mr. Carnegie's name in connection with the Homestead strike has been so widely misapplied."

BANKER BIGELOW SUFFERS.

St. Louis, Mo., June 13.—Frank C. Bigelow, the Milwaukee banker who Monday began serving his ten year sentence at the United States penitentiary, is on the verge of a complete physical break down, and is now in the prison hospital. It will require a couple of weeks to build him up so that he can undergo the protracted measurements.

BEVARD HEARING JUNE 22.

Counsel For Prisoner Asked That the Examination be Postponed.

Courtroom In City Hall Packed Tuesday Morning By People Who Wanted To Catch a Glimpse of Bevard and the Little Girl Who Says He Killed Her Grandmother Prisoner's Appearance Much Improved—He Is Not Yet Allowed To Talk.

As predicted in Monday's Advocate, Attorney B. G. Smythe, counsel for Levi Bevard, held by the authorities on a charge of murdering his aunt and mother-in-law, asked Mayor Crilly Tuesday morning for a continuance in the hearing which was set for Tuesday morning at 9 o'clock.

Promptly at that time, Officer Robert Zergiebel brought the prisoner into court. There was a marked change in the appearance of the prisoner. Since his arrest last Friday, Bevard has been cleanly shaven, and he looks but little like the pictures taken early Saturday morning.

He was given a seat in front of the Mayor's desk and within a few moments Attorney Smythe and Prosecutor Fitzgibbon stated that they were ready for the opening of the case. Bevard was not arraigned last Friday when brought before Mayor Crilly. At that time he stated that as he had no attorney, and he was not ready to plead, it was upon his request that the date for the arraignment was set for Tuesday. By his attorney, he waived the reading of the affidavit and the defense and the prosecution agreed upon Thursday, June 22, as the date for the hearing. Mayor Crilly announced that the prisoner would be remanded to jail without bond.

Officers Zergiebel and Carroll took Bevard into custody and again placed him in jail.

Eva Werts, the most important witness in the case, was on hand, being brought into court by Chief Sheridan. She did not appear in the courtroom, however, and did not catch a glimpse of her big cousin who is facing a serious charge, as the result of her sworn statement.

The little courtroom in the city building, where the preliminary arraignment occurred, was packed to the doors by the curious. Hundreds were anxious to see the man who is held for the horrible crime which shocked the entire county less than two weeks ago.

FOUR WOMEN MUST HANG

Mrs. Mary Rogers of Vermont, To Be the First To Go—Mrs. Anna Valentina Will Soon Follow—Kate Edwards and Agnes Myers Are Also Scheduled For Death on Gallows.

Advocate telegrams on Monday told of the rulings in the Mary Rogers and Agnes Myers murder cases to the effect that both of these women must hang for their crimes.

Mrs. Kate Edwards and Mrs. Anna Valentina are also under the shadow of the gallows.

MRS. ANNA VALENTINA.
Mrs. Valentina was convicted of the murder of her rival, Mrs. Rosina Salza at Lodi, N. J., on March 10, 1904. First sentenced to be hanged on May 19, 1904. Stay granted but again sentenced to be hanged on July 13 last, after board of pardons had declined to interfere. Consul General Tosti, of New York, secured appeal for reprieve and the case is now pending in the federal courts.

MRS. AGNES MYERS.
Mrs. Agnes Myers was convicted on Saturday of murder in the first degree of her husband in Kansas City, on May 19, 1904. Penalty, hanging, but sentence has not yet been pronounced. Those who are opposed to the infliction of capital punishment of women, are still working to secure commutations of sentence for these unfortunate, but the outlook in any case is bright.

MRS. MARY MABEL ROGERS.
Mrs. Mary Rogers was found guilty on December 22, 1903, of murdering her husband with chloroform at Bennington, Vt., on August 12, 1900, and first sentenced to be hanged on the first Friday in last February. The Vermont legislature in November, 1904, refused to pass a bill to abolish capital punishment, and thereby save Mrs. Rogers. Twice reprieved by Governor not regarded as bright.

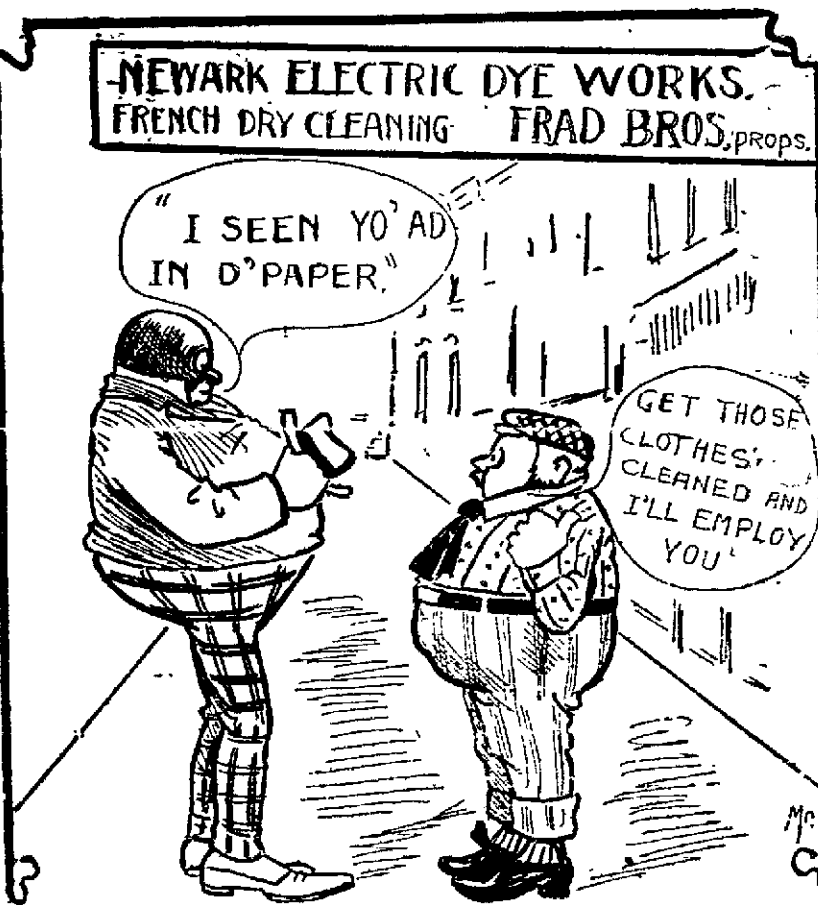

PASSENGER TRAIN CRASHES INTO CAR PANIC CREATED AMONG FACTORY GIRLS

Chicago, June 13.—A passenger train running at a high speed crashed into an electric car at Avenue L, on the Baltimore and Ohio tracks in South Chicago this morning. The crews and several passengers were seriously injured. The motorman and fireman were killed. A wild panic preceded the accident. On the trolley were many girls on their way to work. In the rush to the door they blocked their own escape. Five were taken to a hospital.

NASHVILLE'S MESSAGE TO COSHOCTON IS "ONE COUNTRY AND ONE FLAG."

Coshocton, O., June 13.—The Nashville, Tenn. American, one of the leading papers of the south, prints the item published in the Daily Age concerning the decorating of the Confederate grave in Oak Ridge cemetery and makes the following editorial comment on the kindly act of Messrs. Lamberson and Williams:
"That was an act worthy of the generous and the brave. Such incidents are becoming more common as the years go by and old animosities fade before that fraternal spirit which unifies and strengthens the nation. Does any reader of the American know anything of the map Webb mentioned above? If he was a member of the First Tennessee, there is doubtless somebody who can give some account of him."
Auditor Lamberson received the following letter enclosing the clipping from the Nashville American. The note was as follows:
Decatur, Ala., June 8, 1905.
My Dear Sir—An incident like the one related in this newspaper clipping evidences the noble spirit of a true and noble American. One country! One flag!
Sincerely,
C. K. LIDE,
Ex-Confederate Co. A, 1st Tennessee Artillery.

ALL OFFICERS IN THE DARK

None of the Fleet's Men Knew of
Admiral Rojestvensky's Plans.

CAUSE OF RUSSIAN DEFEAT

No Training in Gunnery Worthy of the Name, and the Commander-in-Chief's Maneuvering in Battle Created Confusion—Naval Officers on the Engagement With Togo's Ships.

Vladivostok, June 13.—Interviews with the naval officers who survived the battle of the Sea of Japan have developed a most sensational story of the causes of the Russian disaster first of all, and the complete demoralization which followed the sinking of the flagship Kniaz Souvaroff and the wounding of Admiral Rojestvensky. It is explained that not a single officer of the fleet knew the commander-in-chief's plans. The admirals in command of divisions knew no more than the sublieutenants, and had to rely entirely upon the signals of the flagship. Admiral Nebogoff, upon whom the command devolved, had seen Rojestvensky only once after the junction of their squadrons, and then only for 15 minutes.

All the stories of extensive target practice in Madagascar, it seems, were false. During the entire voyage there practically was no training in gunnery worthy of the name, and the big gun practice was confined to three shots per vessel. The Japanese concentrated their fire on one ship until she was placed out of action, and then on another, thus successively sinking the Oslabya, Alexander III and Kniaz Souvaroff. Some ships developed deplorable structural defects. The Oslabya sank without having a single hole below the water line.

Lack of homogeneity among the ships made it impossible to maneuver in harmony. The Vladimir Monomach, Admiral Oushakoff and Admiral Semianin had to lag behind, on this account becoming easy victims. Finally the ammunition was exhausted after the first day's fight.

Even the very morning of the battle, while the buzzing of the wireless instruments on the Russian ships showed that the Japanese scouts were communicating their dispositions to Admiral Togo, Admiral Rojestvensky continued his careless maneuvering, and when the Japanese actually appeared the Russians were caught in an impossible formation and were attacked on three fronts. Rojestvensky's position was cramped and his transports were badly placed and caused confusion. While the Japanese were raining projectiles, even from machine guns, on the Russian ships, the latter were huddled together, blanketing each other's fire. Only the leaders of the columns could bring their guns to bear, and even those the untrained gunners fired wildly. To render matters worse the mines and floating torpedoes sown in the paths of the Russian divisions added to the confusion. The Borodino, Admiral Nakhimoff and Navarin fell victims to these obstructions.

It is a heartrending narrative that Russia and the world should know. The sailors and officers were not altogether to blame. The main fault lies elsewhere. There were many heroes among the Russians. Captain Berk of the Oslabya committed suicide on her bridge as the ship sank rather than save himself. There were thousands of other heroes whose names the world will never know.

Special Excursion to Sandusky (Cedar Point) June 18.

On Sunday, June 18th, the Baltimore & Ohio railroad will sell excursion tickets to Sandusky, O., at rate of \$1.25 for the round trip. Train leaves Newark at 6:50 a. m. Returning train leaves Sandusky at 6 p. m. Numerous attractions at Cedar Point, including band concerts, vanderbilt show, boating and bowling. Finest bathing beach in the country.

WRECK ON SOUTHERN.

Louisville, Ky., June 13.—A special train on the Southern railway from St. Louis and the southwest for Louisville, was ditched near Golden Gate, Ill., today. The coaches turned over. A relief train has been sent from Princeton, Ind. The train was composed of eleven coaches and was bringing veterans to the Confederate union here. Southern officers here say that three passengers and the fireman were killed. The first reports placed the loss of life between 50 and 60.

NEWS OF OHIO.

Died As Did His Wife.

Canton, O., June 13.—Peter Antony, a contractor, aged 64, dropped dead last evening shortly after supper in the same manner and time that his wife expired two weeks ago.

Favors One-Day Session.

Columbus, O., June 13.—Chairman Benjamin F. McKinney of the Democratic state central committee is opposed to the plan for a double session of the Democratic state convention. In a letter to F. J. Heer, the Franklin county member of the committee, he says he thinks that as preparations for the convention have gone along thus far with the understanding that there was to be a one-day session, it is hardly proper to change the program now.

Aimed at Picture Hats.

Columbus, O., June 13.—Councilman Sayre, a bachelor, has introduced in council an ordinance providing ejection as the penalty for any one who wears headgear in a theater, music hall, baseball grandstand or other place of entertainment to the obstruction of the vision of other patrons. Mr. Sayre admits that the ordinance is aimed at the picture hats the women patrons of the ball games are in the habit of wearing into the grandstand.

Gibson Memorial.

Columbus, O., June 13.—The Gibson memorial commission met here and decided to confine the competition for designs for the monument to General Gibson to Ohio competitors. It also was decided to place the memorial in the center of the courthouse square at Tiffin. This disposes of the arch plan.

Killed His Brother.

Toledo, O., June 13.—Martin Birmingham has confessed to the murder of his brother Denis, 24, who was killed in front of his own home. Birmingham claims that he shot in self-defense, and that his brother made an effort to get at his gun before he himself fired.

Found Father Dead.

Marion, O., June 13.—Lying in a pool of blood, George Delauder, Jr., was found dead by his six-year-old son at Larue, O. He had shot himself through the temple. A mysterious growth in his left ear is believed to have caused mental derangement.

Lost His Roll; Killed Himself.

Lima, O., June 13.—Because he lost the bank draft which he had brought as his fortune from the west to wed his Buckeye sweetheart, William Pifer, 28, formerly of Bucyrus, purchased a rope and committed suicide by hanging.

Drys Win.

Forest, O., June 13.—A warmly contested local election was held here, resulting in a big victory for the dry element. The score was drys 256, wets 109. Majority of the anti-saloon element 147. It is Forest's first local election.

"FORGED"

Marked on Checks Cashed for Thousands by Men on Duplicates of Standard Oil Paper.

Marion, Ind., June 13.—A heavy check swindle has developed here that will result in loss to local merchants. The checks are drawn on the Standard Oil company and were freely cashed.

F. S. Davis, treasurer of the company, arrived in Marion yesterday from Oil City, Pa., for the purpose of protecting the bankers and merchants. He found checks to the amount of \$1000 in the First National bank, which had been cashed by local merchants and then indorsed and deposited.

The forgeries were not discovered until the checks began to arrive in the New York office of the company from the Pennsylvania, Ohio and Kentucky oil fields. The blank checks were procured from the American Safety Paper company, and were duplicates of the checks in form used by the Standard Oil company. The signature of T. S. Blake, secretary of the company, was so cleverly forged that bankers and merchants familiar with the signatures were unable to detect it. The amount of the forgeries will be large from present indications.

Mr. Davis also discovered that the banks and business men in Van Buren, Fairmount, Montpelier, Bluffton and Upland, have cashed a large number of checks, nearly all being for \$60 each.

Schneider & Brosler, a local firm, have been notified by the banks that five checks for \$60 each have been returned marked "Forged." The discovery was not made until the checks had gone through the New York Clearing House and returned to the secretary and treasurer of the Standard Oil company, and then only when duplicate serial numbers were found on the checks.

The forgery is so well executed that the stubs of the serial numbers and a magnifying glass are necessary to distinguish the real from the forgeries. The checks were all floated at the time of the May pay roll from June 1 to June 10. The amount of the forgeries in the local oil field it is said will amount to many thousands of dollars. Every bank and business house in the field has suffered to the extent of one or more checks. F. S. Davis left Marion for Montpelier this morning, and will go from there to the Muncie field to make an investigation.

PLANS A HUGE MONEY TRUST

Ryan Would Merge Equitable, Morton and Mercantile Companies.

MEANS MILLIONS OF CASH

Nine Policy-Holders File Suits Asking to Be Made Party Plaintiffs With a Baltimorean, Who Has Asked For a Receiver—Grover Cleveland Writes a Letter.

New York, June 13.—The organization of the largest trust company in the United States, and one of the largest financial institutions of the world, was said to be a part of the plan of Thomas F. Ryan in negotiating the purchase of the stock of the Equitable Life Assurance society held by James H. Hyde. Mr. Ryan's plan was reported to be to consolidate the Equitable Trust company, the Mercantile Trust company and the Morton Trust company, all of this city, with the last named in control. It is said that this would result in creating a financial institution with deposits second only to those of the National City bank of this city, which has deposits of \$185,000,000.

Former President Cleveland has written a letter to Thomas F. Ryan concerning the trusteeship of the stock of the Equitable, which he accepts. He says in part: "I assume this duty upon the express condition that, so far as the trustees are to be vested with discretion in the selection of directors, they are to be absolutely free and undisturbed in the exercise of their judgment. The character of the life insurance business is such that those who manage and direct it are charged with a grave trust for those who necessarily must rely on their fidelity. In these circumstances they have no right to regard the places they hold as ornamental, but rather as positions of work and duty and watchfulness. Above all things, they have no right to deal with the interests entrusted to them in such way as to subvert or become confused or complicated with their personal transactions or ventures. While the hope that I might aid in improving the plight of the Equitable society has led me to accept the trust which you tender, I can not rid myself of the belief that what has overtaken this company is liable to happen to other insurance companies as long as lax ideas of responsibility in places of trust are tolerated by our people. The high pressure of speculation, the madness of inordinate business scheming and the chances taken in new and uncertain enterprises, are constantly present temptations too often successful in leading managers and directors away from scrupulous loyalty and fidelity to the interests of others confided to their care. We can better afford to slacken our pace than to abandon our old simple American standards of honesty."

Policy-Holders File Suits. New York, June 13.—Nine policy-holders filed suits of intervention in the United States circuit court asking to be made party plaintiffs with J. Willcox Browne of Baltimore, who recently filed a suit in the federal courts asking that a receiver be appointed for the surplus of the Equitable Life Assurance society. Mr. Browne also asked for an accounting, claiming the policy-holders, of which he was one, had not received their equitable proportion of the surplus as provided for in their respective policies. The policy-holders intervening are C. R. Kline, a resident of Beechwood, Pa., and Sheldon Jackson, F. H. Newell, P. C. Warman, Edward W. Parker, W. T. Thomas, G. F. Hoffman, M. H. Darton and C. A. Fisher, all of Washington.

Statistics of Exports and Imports for Nine Months Just Published—Here Are Figures. City of Mexico, June 13.—Statistics of imports and exports for the first nine months of the current fiscal year have been published. The imports amounted to a gold value of \$57,509,000, a gain of \$5,610,000 over the corresponding period of the previous fiscal period. The chief increase is in goods from the United States, the gain being \$3,792,000. France comes next with a gain of \$1,055,000, and Spain, Germany and England show a fair increase. The total exports, silver value, was \$138,130,000, a decrease of \$9,194,000, mainly in lines of henequin fibre, fine wools and Mexican dollars, exportation of which has fallen off considerably of late, owing to the monetary reform. The United States continues a large buyer of Mexican products.

IT'S YOUR KIDNEYS. Do Not Mistake the Cause of Your Troubles—A Newark Citizen Shows You How to Cure Them.

Many people never suspect their kidneys. When they have a lame, weak or aching back they think that it is only a muscular weakness. When urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disease. That is just where the danger lies. You must cure these troubles because they are certain to lead to more serious ills.

Doan's Kidney Pills is the remedy to use. It cures all troubles caused by weak or diseased kidneys.

E. S. Cramer, proprietor of a livery and boarding stable at 59 W. Main St., and living at 95 Eddy St., Newark, O., says: "I endured backache for a long time before I knew that it originated from the kidneys. I felt well in every other way but my back was a continual misery to me. There was dull aching in the loins extending around to the left side. If I remained in one position for any length of time and then attempted to move quickly sharp shooting pains would strike me, sometimes in one place and sometimes in another. I tried liniments and used several remedies with no effect. Hearing at length of Doan's Kidney Pills I got a box at Crayton's drug store. It is really remarkable how quickly I found relief. The remedy seemed to attack the cause of my trouble and in time it so eradicated every sign and symptom of it that for the eighteen months since I used Doan's Kidney Pills I have had no return of my trouble."

For sale by all dealers. Price 50 cents. Foster-McMurray Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Caused a Split in Party. Honolulu, June 13.—The Republican nomination for county sheriff of A. M. Brown, whom Governor Carter removed in October last, has caused a split in the party. The civic federation, with the support of the administration, has nominated High Sheriff Henry for county sheriff, whom Governor Carter had made Brown's successor. The civic federation also nominated supervisors opposing the regular Republican ticket. The election will take place June 20.

PAPER STOLEN

Boston Man Reports Loss of Railway Shares Valued at \$120,000—Stock Negotiable.

Boston, June 13.—Boston brokers were notified that 10 certificates, representing 1,308 shares of stock, sent to this city, presumably from New York, were stolen en route. According to present market quotations, the value of the missing certificates is estimated at about \$120,000. It is said the numbers of the certificates are not known and that the paper is negotiable. The certificates represented shares of the Atchafalaya, Topeka and Santa Fe, Erie and Union Pacific railroads, and United States Steel preferred. The securities were stolen from Henry W. Comstock of Boston on board the steamer Puritan during her trip from New York to Fall River. Shortly after Comstock reached this city he received a telephone message from New York telling him he could regain the lost property by paying a cash reward.

Shooting Affray.

Williamsburg, Ky., June 13.—In a shooting affray at Pleasant View, five miles south of here, Charles Lee was shot twice in the abdomen and John Morlin twice in the face. Lee will die and Morlin is dangerously wounded. Both men are bosses on the Louisville and Nashville construction work. The origin of the trouble is unknown, and both men have refused to make statements.

Irish Exposition.

New York, June 13.—An Irish exposition is to be given at Madison Square Garden in September for the benefit of the great Hibernian institute building to be erected on Fifth avenue in this city. Industrial exhibits will be the chief feature of the exposition. Scores of woodworkers, stoneworkers, weavers and other workmen will be brought from Ireland.

Torture of a Preacher.

The story of the torture of Rev. O. D. Moore, pastor of the Baptist church of Harpersville, N. Y., will interest you. He says: "I suffered agonies, because of a persistent cough, resulting from the grip. I had to sleep sitting up in bed. I tried many remedies, without relief, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which entirely cured my cough, and saved me from consumption." A grand cure for diseased condition of Throat and Lungs. At Hall's Drug Store; price 50c and \$1, guaranteed. Trial bottle free.

MEXICAN IMPORTS

Statistics of Exports and Imports for Nine Months Just Published—Here Are Figures.

City of Mexico, June 13.—Statistics of imports and exports for the first nine months of the current fiscal year have been published. The imports amounted to a gold value of \$57,509,000, a gain of \$5,610,000 over the corresponding period of the previous fiscal period. The chief increase is in goods from the United States, the gain being \$3,792,000. France comes next with a gain of \$1,055,000, and Spain, Germany and England show a fair increase. The total exports, silver value, was \$138,130,000, a decrease of \$9,194,000, mainly in lines of henequin fibre, fine wools and Mexican dollars, exportation of which has fallen off considerably of late, owing to the monetary reform. The United States continues a large buyer of Mexican products.

IT'S YOUR KIDNEYS.

Do Not Mistake the Cause of Your Troubles—A Newark Citizen Shows You How to Cure Them.

Many people never suspect their kidneys. When they have a lame, weak or aching back they think that it is only a muscular weakness. When urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disease. That is just where the danger lies. You must cure these troubles because they are certain to lead to more serious ills.

Doan's Kidney Pills is the remedy to use. It cures all troubles caused by weak or diseased kidneys.

E. S. Cramer, proprietor of a livery and boarding stable at 59 W. Main St., and living at 95 Eddy St., Newark, O., says: "I endured backache for a long time before I knew that it originated from the kidneys. I felt well in every other way but my back was a continual misery to me. There was dull aching in the loins extending around to the left side. If I remained in one position for any length of time and then attempted to move quickly sharp shooting pains would strike me, sometimes in one place and sometimes in another. I tried liniments and used several remedies with no effect. Hearing at length of Doan's Kidney Pills I got a box at Crayton's drug store. It is really remarkable how quickly I found relief. The remedy seemed to attack the cause of my trouble and in time it so eradicated every sign and symptom of it that for the eighteen months since I used Doan's Kidney Pills I have had no return of my trouble."

For sale by all dealers. Price 50 cents. Foster-McMurray Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

REFUSED LIFE INSURANCE

I Was Afterward Cured by Thompson's Barosma, Kidney and Liver Cure.

I had been confined to the house with kidney complaint for seven weeks and was most of the time in bed. Some time before I had been refused life insurance, as I was told I could not live many months. I began taking Thompson's Barosma, Kidney and Liver Cure, and I am happy to make the statement, which my wife will affirm, that five bottles of Barosma completely cured me. Also I refer to any of my neighbors as to the above facts.—Oson Hopkins, Townville, Pa.

Thompson's Barosma works like magic—a strong statement, but one borne out by thousands of authentic testimonials. Thompson's Barosma 50c. and \$1.00. THE WILES, ERMAN DRUG CO.

St. Francis Commencement.
A mistake was printed in Thursday's paper which stated that Miss Rieger delivered the valedictory by Rev. B. M. O'Boylan. This was the result of the typographical error in the program of St. Francis de Sales commencement which read: "Conferring of honors to graduates, Valedictory, by Rev. B. M. O'Boylan, Miss Anna Rieger." The program should have read, "Conferring of honors to graduates by Rev. B. M. O'Boylan; Valedictory, Miss Anna Rieger."

Double Birthday Surprise.
A very happy double birthday surprise took place on Monday evening at the residence of Dr. and Mrs. Henry Day, on West Main street. The surprise was perpetrated on Mrs. Day and her brother, an evening of rare social enjoyment followed. Eloquent refreshments were served and Mrs. Day and Mr. Robinson were the recipients of several handsome presents. Mrs. Day, assisted by her daughters, entertained the company in their usual hospitable manner, and the evening was one of rare enjoyment, always to be held in pleasant memory.

EFFORT MADE TO SETTLE DIFFERENCES

There are no developments today in the walkout of the polishers at the Wehrle foundry. Mr. Joseph Bishop, secretary of the state board of arbitration, is still here awaiting the return of Mr. William W. Wehrle, president of the Wehrle Company, who is expected to come home from the east tomorrow morning.

A committee of the polishers is ready to meet the representatives of the company and Mr. Bishop hopes to secure from Mr. Wehrle consent to meet the committee of polishers.

The meeting which Mr. Bishop hopes to bring about is to discuss the entire situation and see if some way may not be devised whereby the differences between the company and the men can be adjusted.

WEDDINGS.

GEORGE F. OWEN MISS HELEN PLACE

Wedding Took Place Monday Evening at Home of Mr. and Mrs. Frank Place, North End.

A happy wedding took place in this city on Monday evening at the home of Mr. and Mrs. Frank Place, on Maple avenue in the North End. The contracting parties were Miss Helen E. Place, the charming eldest daughter of Mr. and Mrs. Frank Place, and Mr. George F. Owen, a prominent jeweler of Mt. Vernon, O. The ceremony took place at 7:30 o'clock in the presence of the immediate family and a few invited friends. Rev. J. C. Schindel, pastor of the St. Paul's Lutheran church, performed the ceremony in his usual impressive manner. After receiving the hearty congratulations of their friends, the bride and groom were the recipients of many handsome presents. They then left the bride's home and returned to the groom's residence in Mt. Vernon. The best wishes of many friends will follow them for a long life of happiness and prosperity.

DUGGINS LAND.

Wedding Took Place Monday Evening at Plymouth Congregational Parsonage.

Mr. Estus Duggins, the highly respected son of Mr. and Mrs. Wm. Duggins of Eaton, O., and Miss Nellie Land, eldest daughter of Mr. George Land, Sr., of South Third street, were married last Monday evening at the Plymouth Congregational parsonage on West Church street by the Rev. T. L. Kiernan.

Mr. Duggins is a well known barber and has been employed by Messrs. Huffman & Sunderland of the West End for the past year.

They will make their future home with the bride's father at 99 South Third street. Their many friends extend their hearty congratulations for a long and happy life.

MISS EISENBAUR IS TO BE MARRIED

Daughter of Mrs. Weyler of Newark, and Mr. Newton Friend Will Wed, Tuesday, June 27.

Zanesville, June 13.—The marriage of Miss Mary Eisenbaur and Mr. Newton Friend was announced at St. Nicholas Catholic church, of which both parties are prominent members, last Sunday. The wedding will be a very quiet one and will take place Tuesday morning, June 27. Miss Eisenbaur is the daughter of Mrs. Weyler, of Newark, but since childhood has made her home with her uncle, Mr. August Bohn, the well known Marietta street brewer, and has by her pleasant and winning ways made many friends.

Mr. Friend is the son of Mrs. M. J. Friend, of Columbus. He formerly resided in this city, but is now located in Cambridge, where he and Mr. Louis Fuller, also formerly of this city, are engaged in the unholstering business. Immediately after the marriage, the young couple will go to Cambridge, where they will reside.

SECRET ONE WEEK

On Monday evening June 5, Mr. Alon Earl Wilkins and Miss Mary Wilson, young people, called at the residence of Justice of the Peace J. R. Atcherley, 73 North Fourth street, and requested the justice to marry them. They were accommodated and when they took their departure it was with the request that the marriage be kept secret for one week.

ANOTHER WEDDING.
Newton A. Lockwood and Ida B. Reutlinger were married on Monday. The ceremony was performed by Squire J. R. Atcherley, at his office, in the presence of several witnesses.

With a large tablecloth Mike Carlin, 34, charged with murder, backed himself up to pieces in his cell at Philadelphia.

Deafness Cannot be Cured.
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running ear or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

IN THE COURTS

MEETING OF BAR ASSOCIATION IS CALLED FOR FRIDAY.

The Sunday Closing Ordinance Case Against Wm. Moore—Property Transfers—Notes.

The following business was transacted in Common Pleas Court Tuesday: Eleazar Evans vs. A. D. Seward et al, an action for the assignment of dower and other relief. The court granted an order to set off dower and left to counsel the matter of selecting commissioners. J. B. Jones, Kilber & Kilber.

Louisa McKinnis vs. Wm. Mansberger; continued. Smythe & Smythe, husband.

Wm. M. Moore vs. The State of Ohio an action brought for violation of Sunday closing ordinance. From a judgment against Moore, he prosecuted error to the Common Pleas court. Petition in error dismissed. Superceded bond fixed at \$200. James, Smythe & Smythe, Fitzgibbon.

P. Smiths Sons vs. Sasser, judgment of dismissal. Daugherty, Welch. There will be a meeting of the Bar Association Friday next.

Action for Damages.

A \$10,000 damage suit against the Columbus, Newark & Zanesville Electric Railway company has been filed in Zanesville, as the result of the death of Mrs. Elizabeth Diehl, who was killed November 4 of last year, by falling from an interurban car into the Licking river. The plaintiff in the suit is Henry Diehl, administrator of the estate of Elizabeth Diehl. The petition recites how Mrs. Diehl boarded an interurban car to go to her home, and how the motorman stopped the car in the middle of the trestle, and how Mrs. Diehl plunged headlong to her death.

To Sell Property.

In the case of David M. Keller, trustee in assignment for the benefit of the creditors of Wm. J. Gilmore, vs. Wm. J. Gilmore and J. W. Reelhorn, the plaintiff has filed a petition in the Probate court asking that certain property in Kirkersville be sold as a whole, free and clear of all claims of all parties to this suit, and for all relief to which he may be entitled.

Divorce Cases.

Iva Morrison, by her attorneys, Hunter & Hunter, has filed a petition in the Probate court asking for a decree of divorce from her husband, Roy Morrison. The parties were married May 29, 1903, and no children have been born as the result of the marriage. For cause of action the plaintiff charges her husband with extreme cruelty and failure to provide her with food or clothing. She says that on many occasions her husband has struck her with his fists and hands, and otherwise ill-treated her. She says that her husband refuses to work and earn a living for her. She asks for a divorce and the restoration of her maiden name.

Albert Roberts has commenced suit for divorce from his wife, Lillian Roberts. She says she was married to the defendant March 5, 1905, and that no children were born of the marriage. He charges his wife with infidelity. J. W. Horner, attorney for the plaintiff.

Lunacy Case.

An affidavit of lunacy has been filed by Albert Norris against Maria Larue of Burlington township. Judge Irvine will go to her home on Wednesday and examine into her condition, as she is unable to be brought into court.

GOODWIN LOCKED UP ON SERIOUS CHARGE

Detroit, Mich., June 13.—Charles Goodwin, alias Archer, 25 years old, giving his address as Columbus, Ohio, was locked up this morning on the charge of entering Omaha Road, 22 from his home in Marion Ohio. According to the story told by the girl, Goodwin proposed marriage and brought her to Detroit for the wedding. Instead of going to her, she alleges he took her to a house of questionable character and left her there. The girl applied to the officers and Goodwin was locked up.

Sea birds frequently spend weeks at sea and are believed to amuse their time by partly from the land and which they do not have to do when opportunity presents them in their way. The keen eyesight of the birds is well known, and sea birds have been observed flocking toward the shore and about to burst from all points of the compass, and apparently drinking the water as it comes from the ships.

Former Archibuteo Leopold has become a private in the Swiss army. He supported his sister, former Crown Princess Louise of Saxony, in her elopement escapade, and subsequently married an actress, which caused a scandal in his connection with royalty. He assumed the name Herr Woolfing.

The City Ticket.

Democrats of Newark did well last Saturday when they renominated Hon. A. J. Crilly for the mayoralty. His selection is not only a proper tribute to an able party leader, but is a concession to the whole people in again offering a candidate under whose splendid administration the material and moral interests of the city have been conserved and advanced. His administration has been a business one in the strictest sense. It has guarded the interests of the taxpayer without parsimony and kept down the levy without detriment to the public service. Economy has been an iron-clad rule in all departments and when it is considered that Mayor Crilly's administration was the first inaugurated here under the operation of the cumbersome and inadequate municipal code, foisted upon the people of the state by a Republican legislature at the behest of Boss Cox of Cincinnati, it is indeed a marvel what results have been attained and a demonstration of what can be done by a careful and experienced executive even under the most adverse conditions.

While other cities in the state of the size of Newark are groaning under the burdens imposed, while their tax rate in many cases exceeds the legal limit as the result of the operation of the code, Newark's tax rate has been kept down, and that, too, at a time when the temptation to go far beyond the present rate might have found ample justification under the plea of necessity.

Frank A. Bolton, the nominee for City Solicitor is one of the most favorably known young attorneys in Newark. As a member of the Board of Public Safety, his services have been of value to the city and creditable to himself. His legal ability is conceded and that the interests of the city in

that line will be safe in his hands goes without saying.

For City Treasurer no better selection than that of P. S. Phillips could have been made. His ability as a business man is as well known as his reputation for probity and integrity.

For Board of Public Service the nominees selected combine rare elements of strength. John P. Lamb as a member of the present board has already demonstrated his capacity and usefulness in that position.

E. L. Weisgerber has no superior in the city in qualification for the duties of the office to which he will be triumphantly elected.

Sidney B. Levingston is a popular business man and his good judgment and unflinching industry will prove of benefit to the city.

Harry Rosell, again nominated for the Presidency of Council, is an ideal presiding officer both in ability and in appearance. His renomination will be ratified at the polls in November.

Reese R. Jones and Henry Baker, for Councilmen-at-Large, have served acceptably. Both are men of honesty and integrity. They are capable and efficient public servants.

Charles Grill, for council in the Second ward, will make a creditable representative of that constituency.

D. W. Evans, Henry Boner and Milton R. Scott, candidates for assessor, are men of acknowledged fitness for their task.

In the township the Democrats have done well in the nomination of J. M. Farmer for Treasurer, J. R. Anderson for Trustee and James A. Atcherley for Justice of the Peace.

The County Ticket.

It was a strong field of candidates from which the Democratic hosts of Licking county last Saturday selected the ticket that will gloriously win in November. The personnel of the ticket could not have been improved upon although it might have been equalled in excellence. With the material at hand, from which to choose, a mistake on the part of the voter at Saturday's primaries was impossible.

The name of William A. Ashbrook for representative heads the ticket. Seldom has a greater or more merited compliment been paid in the history of this county than was his unanimous selection as the standard bearer of his party for the important post to which his election in November is assured. He is the popular and successful proprietor and editor of the Johnstown Independent. He is a life-long resident of Monroe township and Johnstown. In character, ability and in achievement, based on hard, common sense and untiring industry, he is today one of the foremost men of the county. His aim as representative will be to serve the people of the whole county. He will assume the duties of a solemn, untrammelled by embarrassing promises, and unhampered by narrow prejudices or factional limitations. It is worth noting that on the day of his nomination for representative without opposition. Mr. Ashbrook was unanimously selected secretary of the National Editorial Association at Guthrie, Ok. Ter.

For probate judge, E. M. P. Brister, known and beloved of all, and with a record of conscientious performance of public duty to his credit, is the nominee. His devotion to duty in every emergency is proverbial. His broad sympathies, his ability and learning and his unsullied private character all commend him to the sovereign voter to whom the requisites named will successfully appeal.

For county treasurer, C. L. V. Holtz, for some years deputy in the office, was complimented by a unanimous nomination. His selection without opposition is simply a proper recognition of meritorious service and of faithful devotion to the duties of the position which he has discharged with such signal ability and success.

James R. Fitzgibbon, the candidate for Prosecuting Attorney, has already made an enviable record in an office whose duties are difficult always perplexing and very frequently of the most delicate description. That his course as prosecutor has met the approval of the people of the county is a higher testimonial to his ability, his courage, his integrity and his complete mastery of the duties of his position than mere words can portray.

For County Commissioner, James M. Crawford is an ideal candidate. The fact that he was never previously before the people of the county as a candidate bespeaks the favorable impression he made upon the discerning Democratic masses. He is a man of character, of integrity, is a successful farmer, and was long one of the best

known breeders of blooded cattle in the county. He is a gentleman, not only of character, but of education, and his training and experience will make him the ideal public official.

Mr. Crawford is a brother of Col. George W. Crawford, the well known importer of draft horses. While Col. George W. is well known for his uncompromising Republicanism, it is a notable fact that James W. Crawford has been equally strong in his devotion to the Democracy.

Peter W. Brubaker, the nominee for Infirmary Director, is a well and favorably known citizen of Newark. He is a gentleman of large intelligence and benevolent instincts and the interests of the Licking county poor will not suffer in his hands.

Dr. L. L. Marriott, the nominee for Coroner, is a successful young physician and his selection is a merited accomplishment, not only to himself, but to the Democrats of Newton township. He should and will be elected by an old time Democratic majority.

Furious Fighting.
"For seven years," writes Geo. W. Hoffman, of Harper, Wash., "I had a bitter battle with chronic stomach and liver trouble, but at last I won, and cured my diseases, by the use of Electric Bitters. I unhesitatingly recommend them to all, and don't intend in the future to be without them in the house. They are certainly a wonderful medicine, to have cured such a bad case as mine." TURTLE'S BACK IS HARD.
Carmel, Ill., June 13—Yesterday while fishing, Jasper Jameson caught a large hardshell turtle. Holding it at arm's length he banteringly defied Tom Hobbs, his companion, to shoot it. The shot glanced from the turtle's shell, hitting Jameson in the head. He will die.

Mrs. Howard Gould Laughed While Haydel Was Giving Testimony in a \$60,000 Suit.

New York, June 13—The suit of Architect Abner J. Haydel against Howard Gould, in which he claims \$60,000 for work in planning a mansion, was put on trial at Mineola, L. I., before Supreme Justice Keogh. Mrs. Gould was in court yesterday afternoon. She followed the testimony of Mr. Haydel closely, and when the witness graphically described how he had been ordered out of the Waldorf by her, Mrs. Gould first looked incredulous and then laughed long and loud.

This laugh momentarily stopped the proceedings, surprised the judge, embarrassed the witness and piqued the attorney for the plaintiff. When it was over the case was resumed.

THREE DEAD.
Following a Pistol Engagement, the Outcome of a Grudge.
Knoxville, Tenn., June 13.—Three men met instant death and a fourth was dangerously wounded in a desperate shooting affray in a blacksmith shop at Thorn Hill, four miles from Tate Springs, Tenn., and 60 miles northeast of this city. The dead are John and Will Holland, brothers, and Will Bunden, all white, and members of well known families. The wounded man is Clint Winkle, a negro, supposed to have been in the employ of Bunden. Enmity has existed between the Holland and Bunden families for the past four years. It grew out of the killing of Colonel John C. Rosiere by Bruce Bunden, father of Will Bunden, for which crime the elder Bunden is serving a life sentence in the penitentiary. The Hollands used winchesters and Bunden and Winkle used pistols. The death of the Hollands wiped out the entire family with the exception of the parents.

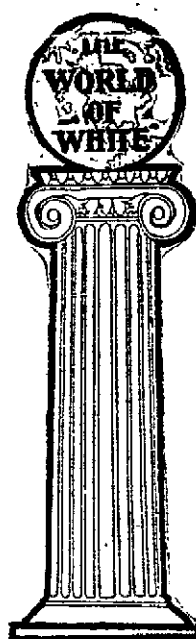

Dogs Always Honest.
"There is one peculiar thing about dogs," remarked a well known fancier and huntsman to the Houston, Texas, Post, and that is you never saw one pant and wag his tail at the same time. A dog is not capable of a double motion. He can't growl and wag his tail at the same time, for it is impossible for him to be mad at one end and glad at the other.

If a dog is glad to see his master he will bark and wag his tail. If he wants to get into the house he will paw at the door, whine and wag his tail, but they are all symptoms of one and the same emotion. But if his master opens the door he will cease to show anxiety immediately by whining and will show pleasure only by the wagging of his tail.

In order to get a man's temper one must watch his eyes, but for a dog's you have to watch his tail. The

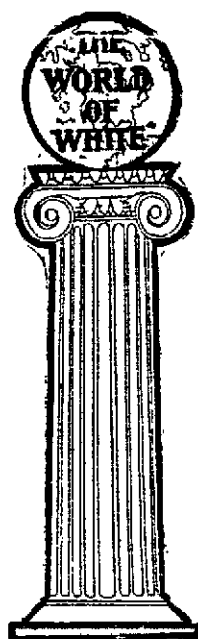

The World of White Marches On

A great demonstration of this store's leadership in attractive display as well as underpriced selling in White Wear and White Dry Goods Merchandise.

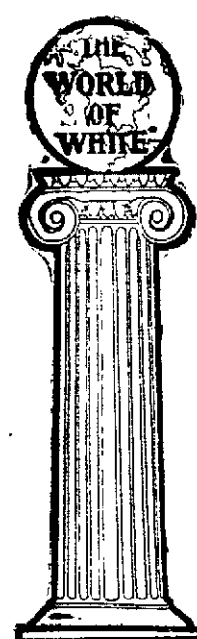

"How beautiful," say scores of our customers at the first glimpse of the World of White, "what wonderful values," they repeat when close examination is made of the heaps of white merchandise on tables and counters. We are justified in stating that many cities four times the size of ours could not duplicate either the display, the great assortment of white fabrics and white wear or the extraordinary values that are making the World of White the most talked of merchandise event this store has known in a long time.

Granville, O., June 13—The annual commencement exercises of Doane academy and Shephardson college were held in the Baptist church on Tuesday morning, and proved a dramatic as well as a literary success. The church was well filled with the friends of the graduates at an early hour to witness the interesting exercises.

Doane academy and Shephardson college, under the efficient direction of Dr. R. H. Hurdley and Harriet M. Barker, and their efficient corps of instructors, are noted for their excellence, and the exercises of Tuesday presented every evidence of the thoroughness of the schools. All the essays and other productions of the graduates were of a high literary character, while the music was out of the ordinary.

The names of the graduates are as follows: Carlton William Atwater, Cleveland; Marcus Oren Bond, Wheeling, W. Va.; Samuel Gaither Bridges, Granville; Earl Ranken Bull, Dayton; Fred Rexford Burnside, Alexandria; Charles Augustine Carman, Granville; Ray Ellsworth Carman, Granville; Marshall Newport Dana, Newport; Raymond Clyde Ditt, Delphos; Theodore George Erler, Toledo; William Elmer Forsythe, Granville; John Wallace Fuller, Millard; Leske Lowery, Horace Monroe Moore, Pataskala; Harry Pammern, Wankegan, Ill.; Alpha Cleveland Pence, St. Paris; Chas. It was announced that the winners in the Clever-Irving contest were as follows: Debate, George W. Phillips; oration, H. P. Scott; essay, H. I. Topping; declamation, T. B. Beece. Prizes were awarded in the Sherman prize contest as follows: Earl Bull first, \$50; George W. Phillips, second, \$25.

Art Reception.
The annual exhibit of the art department of Shephardson college was held on Monday afternoon in Burton hall. Throughout the afternoon numerous friends of the pupils visited the hall to examine the splendid exhibit, and many pleasing comments were heard concerning the proficiency that had been attained in the various lines of work in this department, under the efficient instruction, Miss Laura Parsons. The various kinds of work done in this grade were shown, there being about two hundred exhibits in oil, water

color and black and white. Taking a general view of the exhibit one could easily see that the designs were original and very pretty and proved that some of the students are especially talented in drawing. Those who are especially gifted in imagination and creative work, find landscape scenery the especial delight. The various exhibits in this are deserving of much credit. Considering the various lines into which the exhibit branches, it is indeed a most interesting one, and reflects most creditably upon Miss Parsons, who has general supervision of the work.

China Exhibit.
In the china department which is under the supervision of Miss Carrie Howland, the exhibit was a particularly fine one, and the work in a number of places was most artistically done. All the work was greatly admired by those who had the pleasure of inspecting it. Miss Howland, as a teacher of china painting stands at the head.

Enterpean Breakfast.
One of the most enjoyable events of commencement week was the breakfast given by the young ladies of the Enterpean Literary Society on Monday morning. The breakfast was served on the beautiful lawn of Mr. and Mrs. Wm. Mitchell, corner of Prospect and E'm streets, and there were about 50 persons in attendance. The menu was a most sumptuous one, and those who were so fortunate as to be present had a most delightful time.

Glee Club Concert.
The Denison Glee and Mandolin clubs gave a concert in the town hall Monday evening at 8 o'clock, before a large and interested audience. The program throughout reflected the intense college spirit prevalent at Denison, and was thoroughly enjoyable. The Kenyon quartet which was to have rendered several selections, for some unaccountable reason failed to appear, and as their substitute, the Denison quartet sang several songs, which were very well received and quite made up for the disappointment that had at first been apparent among the audience, in the absence of the Kenyon quartet. The Glee and Mandolin clubs were assisted by Miss Phillips, soprano, and Mr. Ellis Legler, bass, both of whom are well known by Granville audiences, and who always receive hearty welcome. Their contribution to the success of the event was appreciated by all who were present. The following was the program: Babes in Toyland, Herbert; March, Haskins, Mandolin Club. Denison Medley, Bolger, Glee Club. Love is a Bubble, Allitsen; Can I Forget, de Koven, Miss Phillips. Songs, Selected, Denison Quartet. Love Me or Not, Secchi; Border Ballad, Cowen, Mr. Legler. Ballet Fantasia, De Beriot, Mr. See. Sweet Mignonette, Mrs. E. M. Thresher. (Dedicated to Mr. Judson), Miss Phillips. Wine Song, Buck, Glee Club. The Sho-Gun, Luders, March, Rubens, Mandolin Club.

The Phi Gams entertained a number of their young lady friends with a coaching party to the ball game on Monday afternoon and afterwards with a supper on the lawn of the Phi Gams house.
Kappa Mu Sorority, an organization which existed in Shephardson college in the early nineties, has become affiliated with Kappa Phi Sorority of Denison university through their representative, Mrs. Rohrer of Pittsburg.

AUTO LEAKED,

And Mrs. Walter Brown's Clothing Caught Fire During the Ride. Machine Destroyed.

Elkhart, Ind., June 13—Mrs. Walter Brown, of Indianapolis, wife of the convicted former Elkhart manufacturer and political boss, now serving a sentence at Ft. Leavenworth, was in an automobile as the guest of Mr. and Mrs. George Briggs, when it caught fire from a gasoline leak. Before the machine could be stopped her clothing had taken fire, but the blaze was extinguished with a blanket. The auto was destroyed.

A Fearful Fate.

It is a fearful fate to have to endure the "terrible torture of Piles." ROYAL ARCANUM MEN ARE WORRIED

STORM OF PROTEST ARISES OVER INCREASE IN THE INSURANCE RATES.

Many of the Older Members Think It Is An Effort to Crowd Them Out. 300 Newark Members.

Among the three hundred members of the Royal Arcanum in this city, there has arisen a storm of protest over the action of the Supreme Council of the order which orders an extra assessment, which raises the insurance rates.

Many of the older members of this order claim that it is only a scheme to crowd them out. For an example, one member of the Newark council is 70 years old and the increase in his assessments has raised his payments from \$4 to \$16 a month. In case he drops the insurance as he will necessarily have to do, it will be impossible for him to be admitted into another company on account of his advanced years. All of the older members of the order are deeply concerned and at a meeting held Monday night the matter was very earnestly discussed. No formal action was taken however, at this meeting.

It is believed that this departure is unjust, in view of the fact that the order has about \$2,000,000 in the reserve fund, which is set aside to be used in case the amount gathered from other sources does not reach far enough. There is probability that an injunction will be asked for to prevent the Supreme Council from carrying out its action. The new order does not go into effect until October 1 next, and the probability is that it never will if the membership at large can use its influence to prevent it.

It is only within the past few days that official notice of the action of the law making body has been received here, and at once a storm of protest has gone up. Most of the members, and this applies particularly to the older ones, charge that the action of the Supreme Council was undertaken with the view of forcing them out in order to infuse younger blood into the order. According to information gathered here, the advance in the rates does not affect those between the ages of 21 and 25 years, while for the others the increase is close to 100 per cent.

By some it is argued that the reserve fund was created for the purpose of making up any deficiency that might occur. This fund aggregates about \$2,000,000. A year ago the death rate was unusually large and it was found necessary to draw on this fund to the extent of over \$60,000. It is believed that this fact made the members of the Supreme Council rather nervous as to the financial condition of the order. However, it is argued that this fund was created for this very purpose, and that any deficiency that might occur in it could be readily made up by a very low assessment, inasmuch as the order throughout the country has a membership of over 300,000.

MARRIED WIDOW

But Didn't Know It for a Week When He Found He Was Step-Father. Tragedy Then Followed.

Cleveland, O., June 13—Crazed because of domestic difficulties and inability to secure employment, James Stack, a Bohemian, living at No. 115 Trumbull street, attempted the murder of his wife, an infant daughter and his mother-in-law, ending his fenshish deed with what will probably be a successful attempt to kill himself.

Returning home late yesterday afternoon, Stack met his wife at the doorway and immediately opened fire. The first shot took effect in the woman's lung. She toppled over unconscious and will probably die. The woman was carrying the infant in her arms. As the babe fell Stack gave it a kick in the head. Stack then turned his attention to his mother-in-law, but his aim was poor, the shot taking effect in her arm.

Seeing a crowd gathering, Stack turned and ran along the Lake Shore Railway tracks. He was found hiding behind a box car shortly after 9 o'clock, by a squad of detectives who had been detailed on the case. As the officers closed in, Stack turned the revolver upon himself. He tried to shoot himself in the heart. The gun missed fire, however. In a second attempt, Stack shot himself through the left lung. Physicians at St. Alexis hospital where the entire family was taken, say the man and woman will both die, but that the infant will probably recover. The mother-in-law was shot so near the shoulder that her arm will have to be amputated.

Stack's wife had deceived him at the time of their marriage. Within a week after the marriage ceremony Stack discovered that the woman had been married before and had three children. This started the dissension which ended in the terrible tragedy.

FLAG DAY

Will Be Observed in Newark Tomorrow—It is the Birthday of the Stars and Stripes.

Wednesday is Flag Day as has been set aside by Governor Herrick in his proclamation issued a few days ago. It is also the anniversary of the adoption of the Stars and Stripes as the national emblem. Through the efforts of the Sons of the American Revolution, New York's governor issued a proclamation ordering all the government buildings in the state to fly the national colors. This was in 1894. Since then the movement has spread all over the country, until it has become almost a national event.

Through the efforts of Maj. F. G. Steel, who is a member of the National Color Staff of the G. A. R., and a member of the National Flag Association, the day will be observed in Newark.

It is requested that all citizens fly the nation's colors in some form. Nearly every home has or should have a national flag. With a little trouble Old Glory would be greatly in evidence in Newark Wednesday.

NATURE SPARES

The Fortunate Rose From Grief.

What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Hairpeide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Hairpeide Co., Detroit, Mich.

BRIDAL DAY

Was Drawing Near When Piffer Lost the Draft For His Savings and Hanged Himself.

Lima, O., June 13.—Because he lost the bank draft which he had brought as his fortune from the West to wed his Buckeye sweetheart, William Piffer, 28, formerly of Bucyrus, yesterday afternoon, with the small remaining change he possessed, purchased a rope and committed suicide by hanging.

Young Piffer went West several years ago, locating at Los Angeles, Cal. He carefully saved his money, and, before coming East to wed, purchased a draft for the amount. This he lost on the street about two weeks ago and endeavored to secure a duplicate but was refused.

His wedding was set for next Saturday, and, facing it he had not a dollar to his name. He brooded heavily over the matter and told his friends yesterday that he didn't see his way out of the difficulty. Last evening his body was found swinging to a rafter in a barn near his hotel. His parents live at 233 North Main street.

75,000 PYTHIAN KNIGHTS IN OHIO

Grand Lodge Representatives, Officers and Others Welcomed to City of Springfield.

Springfield, O., June 13.—The Grand Lodge, Knights of Pythias, representatives and officers, were welcomed this morning by Mayor Dowling. Response was made by Grand Chancellor Clark of Dayton. The reports presented, showed the 75,000 mark in membership reached. This afternoon 2700 participated in the parade. Afterwards the dedication of the administration building in the state home occurred.

CLAIMS CLIENT IS INSANE.

Lincoln, Neb., June 13.—A final effort to save Frank Barker, who is under sentence to be hanged Friday for the murder of his brother and the latter's wife, was made by F. G. Hamer, his attorney, who filed with District Judge Holmes affidavits declaring that Barker is insane. The court took the case up at once, declaring its belief that it had no jurisdiction, but permitted Mr. Hamer to secure, if possible, testimony from Warden Beemer of the penitentiary. Governor Mickey has refused to interfere in the case.

ENEMY BAFFLED; WASHINGTON SAFE

Admiral Dicken's Attack on the Capital is Frustrated by Alert Defenders.

Fort Monroe, Va., June 13.—Admiral Dicken attempted to take Fortress Monroe by surprise in the early hours of the morning in the army and navy maneuvers. The attempt was not successful. One of the three vessels which the admiral brought into action was picked up by searchlights at a distance of 3000 yards and in the engagement which followed the first firing, which came from the battery at Fort Wood, the whole attacking party is supposed to have been theoretically destroyed. Dicken planned to capture Washington.

Newark 9, Canton 7

The lovers of hard hitting in baseball games were well pleased with the exhibition at Idlewild Park Monday afternoon when Newark trailed the tail enders of the independent league in the dust in a terrible slugging match.

Both pitchers were roughly handled but luckily, Big Cy Voorhees was able to keep the hits pretty well scattered except in the seventh inning, when Plummer led off with a clean single and singles followed in rapid succession until Davis put an end to the agony by catching a line drive from Nist's bat.

The game started out bad for Voorhees. Core, the third man at bat in the first inning, got a clean hit and attempted to score on a long two bagger to deep center from Johnson's bat. He was caught at home plate by Doyle after Davis had caught a long throw from Linderbeck in center field.

The play retired the side and prevented the visitors from scoring in that inning. Newark's half of the same inning netted the locals nothing. However, in the second, a base on balls, a neat single by Snyder and an error by third baseman Johnson netted Newark one lonesome little tally. Canton easily tied the score in the second by a two bagger followed by a single, allowing Nist to score.

Joe Doyle got busy with his stick Monday, and is credited with two two-baggers as a result of his afternoon's work. The first came in the fourth inning. It was a clean one over left field fence. Joe was caught between second and third when he tried to advance on MacKown's infield grounder.

Two hits and an error in the fifth inning, coupled with some judicious base running, permitted Snow's men to score two runs. This was more than regained by Canton when they landed on Cy Voorhees for five safeties in the seventh, which, with two errors, one by Lindy, the other by Wratten, netted Canton three runs. In Newark's half of the same inning, three two base hits by Snodgrass, Wratten and Doyle, and a single by Linderbeck, netted Newark three runs.

This was followed by two more in the eighth after two neat singles by Snodgrass and O'Brien and an error by Eichler. Canton started in to accomplish a score tying feat but her plan was nipped in the bud by Lefty Snyder, who fielded a bas hit so quickly that the runner was caught when he tried to expand his single into a two bagger.

The chief feature of the game was Canton's kicking. There were a number of close decisions which the visitors took occasion to question, and some times the arguments threatened to mar the enjoyment of the game.

Johnson, playing at third base for Canton, was the heaviest hitter among the visitors. He found it rather easy to lift the ball over the fence and trot two bases. His single in the seventh followed by a stolen base, was also a neat piece of ball playing.

Both pitchers were rather wild at times, but it seemed that they were due for a drubbing and got it. Cy Voorhees has been roughly handled twice now within a few days.

The lovers of hard hitting in baseball games were well pleased with the exhibition at Idlewild Park Monday afternoon when Newark trailed the tail enders of the independent league in the dust in a terrible slugging match.

Both pitchers were roughly handled but luckily, Big Cy Voorhees was able to keep the hits pretty well scattered except in the seventh inning, when Plummer led off with a clean single and singles followed in rapid succession until Davis put an end to the agony by catching a line drive from Nist's bat.

The game started out bad for Voorhees. Core, the third man at bat in the first inning, got a clean hit and attempted to score on a long two bagger to deep center from Johnson's bat. He was caught at home plate by Doyle after Davis had caught a long throw from Linderbeck in center field.

The play retired the side and prevented the visitors from scoring in that inning. Newark's half of the same inning netted the locals nothing. However, in the second, a base on balls, a neat single by Snyder and an error by third baseman Johnson netted Newark one lonesome little tally. Canton easily tied the score in the second by a two bagger followed by a single, allowing Nist to score.

Joe Doyle got busy with his stick Monday, and is credited with two two-baggers as a result of his afternoon's work. The first came in the fourth inning. It was a clean one over left field fence. Joe was caught between second and third when he tried to advance on MacKown's infield grounder.

Two hits and an error in the fifth inning, coupled with some judicious base running, permitted Snow's men to score two runs. This was more than regained by Canton when they landed on Cy Voorhees for five safeties in the seventh, which, with two errors, one by Lindy, the other by Wratten, netted Canton three runs. In Newark's half of the same inning, three two base hits by Snodgrass, Wratten and Doyle, and a single by Linderbeck, netted Newark three runs.

This was followed by two more in the eighth after two neat singles by Snodgrass and O'Brien and an error by Eichler. Canton started in to accomplish a score tying feat but her plan was nipped in the bud by Lefty Snyder, who fielded a bas hit so quickly that the runner was caught when he tried to expand his single into a two bagger.

The chief feature of the game was Canton's kicking. There were a number of close decisions which the visitors took occasion to question, and some times the arguments threatened to mar the enjoyment of the game.

Johnson, playing at third base for Canton, was the heaviest hitter among the visitors. He found it rather easy to lift the ball over the fence and trot two bases. His single in the seventh followed by a stolen base, was also a neat piece of ball playing.

Both pitchers were rather wild at times, but it seemed that they were due for a drubbing and got it. Cy Voorhees has been roughly handled twice now within a few days.

KELLEY'S COAT MADE IN WHEELING

CLUE THAT MAY LEAD TO THE IDENTITY OF MAN WHO CUT THROAT.

Coroner Finds Archie Day Was Killed by Car—Verdict in Clark Suicide Rendered.

Coroner C. F. Legge has finished his examination of witnesses relative to the death of Martin Kelley, who committed suicide in the county jail on Monday morning by cutting his throat with a razor. Kelley is the man who was found wandering about the country in Newton township, this county, in a nude condition. He was brought to Newark and placed in the county jail, where he was being held awaiting a hearing by the probate judge on a charge of insanity preferred by Constable Moxley. The coroner finds that he committed suicide while in a state of dementia. After Kelley had been brought to Newark his clothes were found in the woods in Newton township and were brought to Newark and turned over to the officers. Coroner Legge, in examining the clothing, recognized a trade mark on the coat as that of "Sebright," a merchant tailor of Wheeling, W. Va. The coroner immediately forwarded the trade mark to the chief of police of Wheeling, with instructions to investigate the matter and the body of the suicide is being held at the undertaking establishment of Bowers & Criss Bros., awaiting the result of his investigation.

ARCHIE DAY'S DEATH.
Coroner C. F. Legge has returned his verdict in the case of Archie Day, the Newark man whose dead body was found alongside the tracks of the Columbus, Buckeye Lake and Newark traction line a short distance west of Hebron the morning after Decoration day. He finds that Day met his death by being struck by a car.

NOBLE CLARK'S SUICIDE.
Coroner C. F. Legge has finished his inquest relative to the death of Noble Clark, the aged man who committed suicide at the Commercial House, this city, on Sunday night. He finds that he came to his death by an overdose of laudanum, taken with suicidal intent.

HER EYES

Lost, Perhaps, Through a Cowardly Attack—Two Enemies Are Under Suspicion.

Indianapolis, Ind., June 13.—Mrs. Sarah Kepner, 970 Pansy street, was severely burned about the face, neck and arms last night by carbolic acid that was thrown by an unknown person. She may lose the sight of both eyes.

Mrs. Kepner went into the rear yard to get a drink. As she was fastening the door, when she went into the house again, some one threw a liquid into her face and then fled. The liquid caused intense suffering, and it was discovered that it was carbolic acid.

Mrs. Kepner has two enemies, a man and a woman, and they are under suspicion. Her husband received an anonymous letter stating that an attempt would be made in his wife's life but he thought nothing of it.

MONT PELEE ACTIVE

For Several Days Volcano Has Been Busy, But Just Now Pelee is Quite Calm.

Fort de France, Martinique, June 13.—For the past few days Mount Pelee has manifested a recrudescence of activity, which, while stronger than that of the month of April of the present year, does not seem to be of an alarming nature. Some dense clouds of smoke have been discharged from the volcano and have slowly fallen over the White river valley, afterward disappearing on arrival at the sea-coast. Short luminous flashes have been perceived at the dome of the mountain. The eruption of part of the dome occurred at 6 o'clock. It was accompanied by an outflow of mud into the White river valley. At 11:30 the same morning a dense cloud of smoke slowly arose from the crater to the estimated height of about 1,000 yards, and extended toward Le Precheur, where the smoke was dissipated. Since then the volcano has remained calm.

JUSTICE BREWER SPEAKS ON WOMAN'S SUFFRAGE.

Poughkeepsie, N. Y., Jan 13.—Justice Brewer of the United States Supreme court, delivered an address at Vassar college last night on "Education and Citizenship." On woman's suffrage he said, "Who shall say that before gray hair shall cover the heads of the women here, there may not sit in the White House a woman who will shed lustre upon this country?" The sentiment was heartily applauded.

BOOKKEEPER

Borrowed a Work on Dynamite Just Previous to the Explosion in the Bank.

Paris, Ill., June 13.—The grand jury investigation into the dynamiting of the Edgar County bank will begin today. Members of the hardware firm occupying the store under the lodgings of the bank's bookkeeper, W. W. Juntgen, have admitted that he borrowed from them a book of instructions as to the use of dynamite also that the elevator to which Juntgen had access from his apartments was used the following night. Policemen Bates now admits that he saw Juntgen on the Public Square at 2:30 o'clock on the morning of the explosion. The bookkeeper persists that he was not out of his room after 10 o'clock p. m. President J. E. Parrish, of the wrecked bank, was asked today if Juntgen had resigned, and replied:

"I suppose so. It would be impossible to take him back under the circumstances."

Juntgen said he had not resigned and did not intend to do so.

BY TELEPHONE

Singer Gave the Choirmaster a Specimen of Her Ability and She Was Engaged.

New York, June 13.—"Telephone's a great thing, isn't it?" remarked Dunbar Johnston, choirmaster of the old John Street M. E. church, as he emerged at noon, perspiring from a booth where he had been closeted for nearly an hour.

"I've just engaged a soprano soloist for a church entertainment on the strength of her singing some music over the phone. In fact I feel as though I'd just come from a concert. I had been requested to engage this singer. My business affairs were such, however, that I could not call upon her and her engagements prevented her appearing at rehearsal. I had never heard her sing and knew nothing about her voice. I requested over the telephone that she give me an idea of what she could sing for us. She responded by naming a number of quasi-classic pieces and transcriptions. Of this number there was one of the same title as a composition by Gounod, with which I was familiar. The music to this, however, was by another composer. I requested the singer to hum the melody just as though there was a large audience to please. I could hear every word and tone distinctly. This was followed by several other selections equally distinct and pleasing, and before I realized it we had framed quite a program and I had engaged the singer."

MAYOR IS GLAD CASE IS SETTLED

The famous horse trading case which was brought before Mayor Crilly Monday for settlement, has been arbitrated. The principals in the case got together Monday and concluded that it was better to fix matters up out of the courts. Therefore Jones was satisfied when, by the treaty, he was conceded a pony, not in the best physical condition, which Mummy received when he traded the mule to another party. The case was so complicated that the mayor was willing to have the matter compromised.

Young People's Societies.

The United Young People's Society of Newark, which was recently organized, is progressing splendidly and is now ready to make its first announcements. A reception will be tendered the individual societies by the congress of the United Society at the Fifth street Baptist church next Thursday evening, June 15. Hour 7:30 to 8. The evening will be entirely informal and it is hoped that the members of the different societies will not only become better acquainted with the plans and interests of the United Society, but will find a mutual acquaintance in the members of the other societies. Light refreshments will be served.

On the Sunday following, June 18 the first mass meeting will be held in the Central Church of Christ, Fourth street, at 3:30 p. m. Leader Mr. A. R. Evans. His topic is "The United Young People's Society of Newark." A large attendance is urged both at the reception and Sunday evening meeting.

Don't fail to hear Prof. Williams, Wednesday evening at Central City Chapel, 7:30 p. m. 15 and 20c. 12:25

Initial steps are already being taken at Antwerp for the organization of a universal exhibition to be held there in 1913.
